

October, 2018

## Temperature

## Precipitation

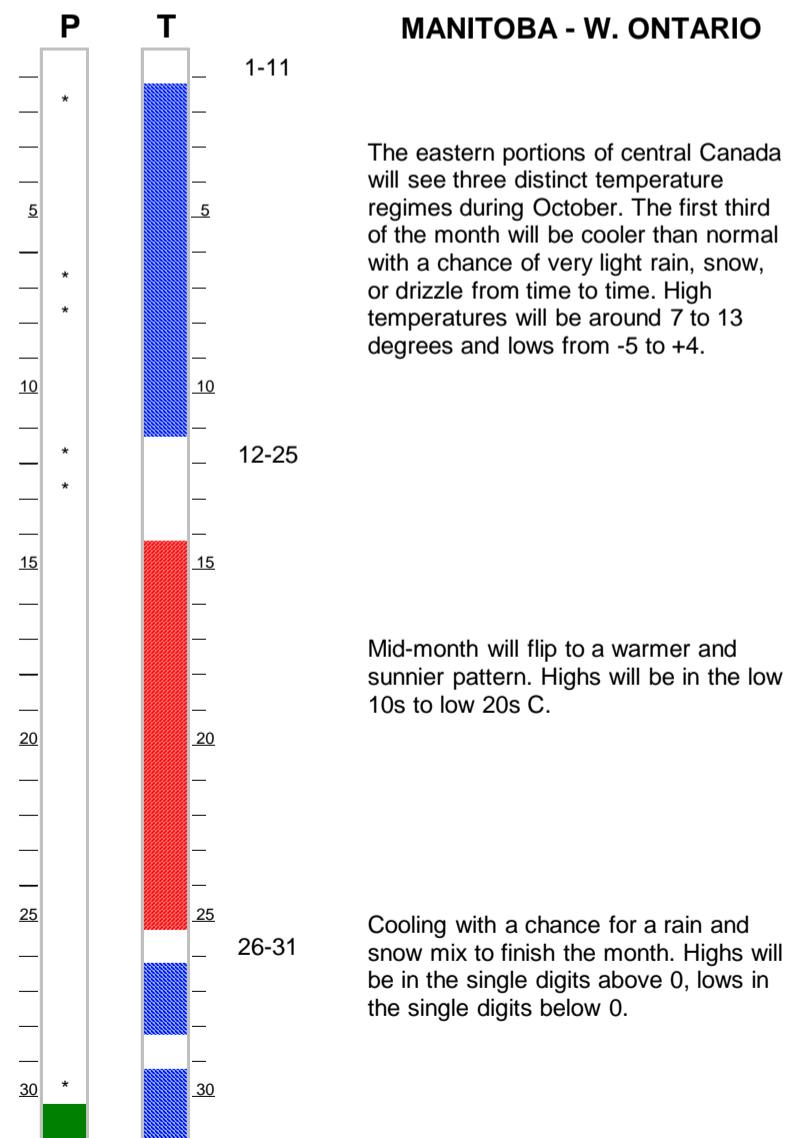

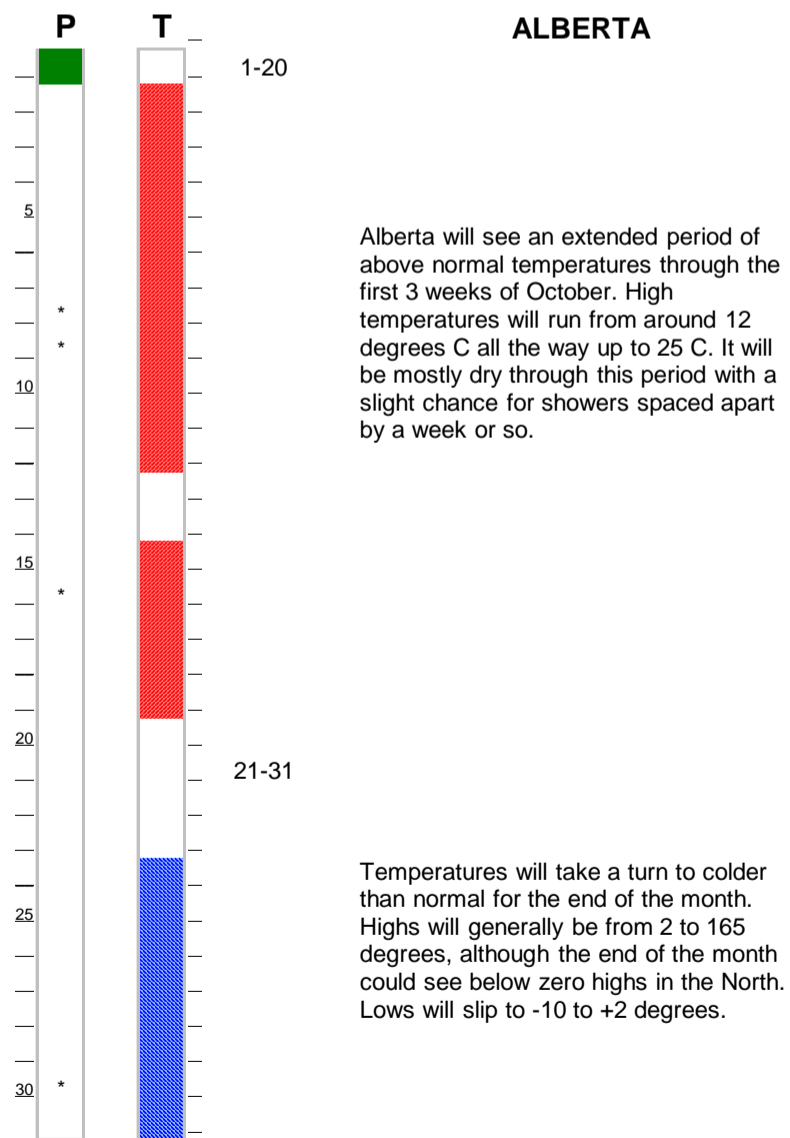

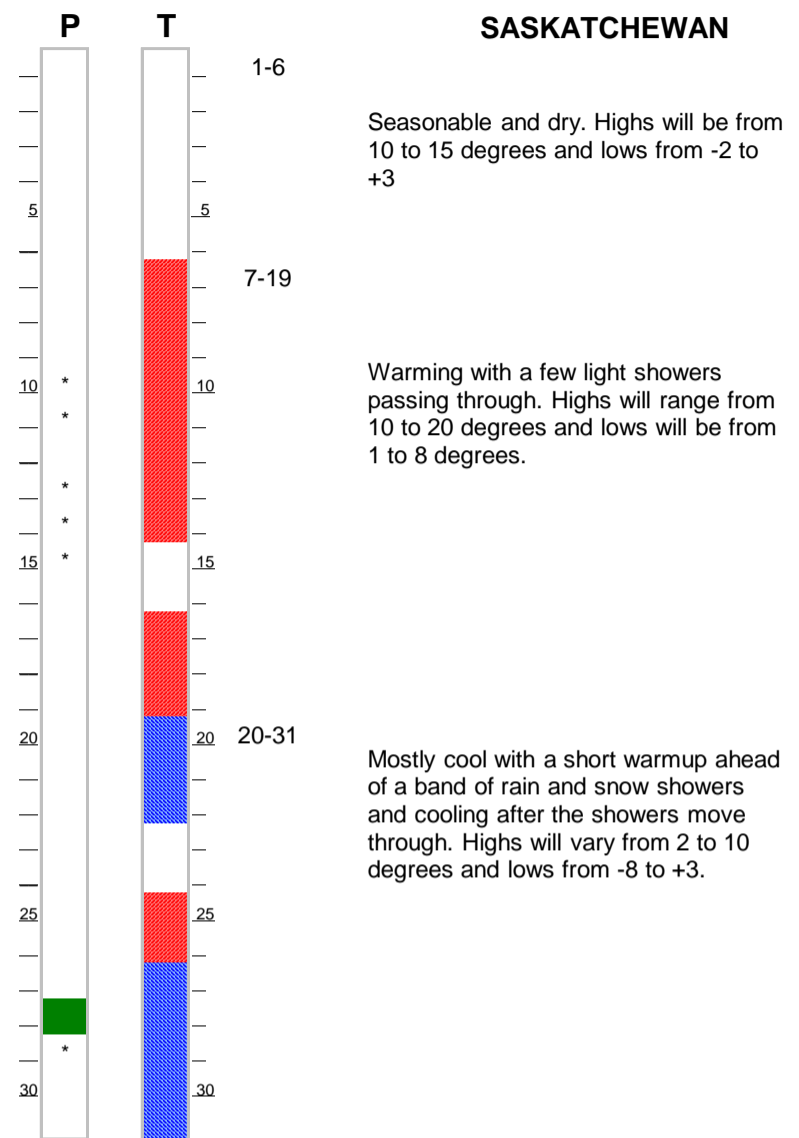

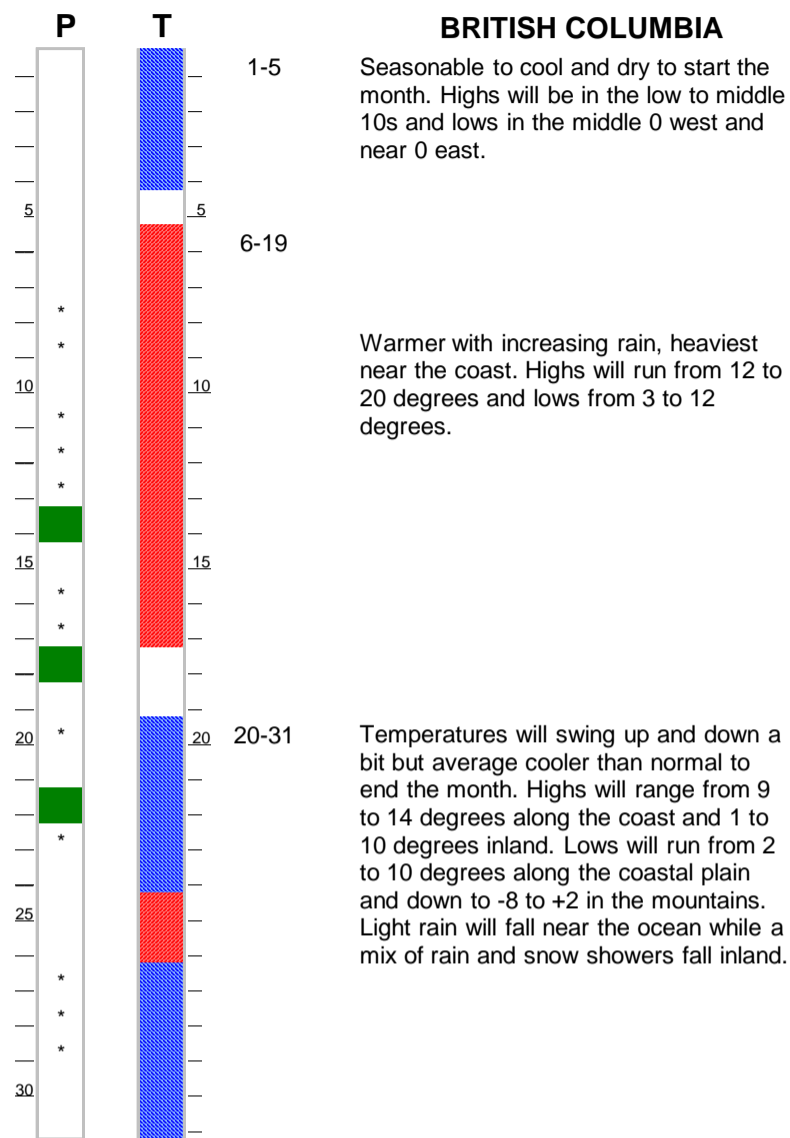

## Monthly Climatic Outlook

Most of the month will be very warm with a late cool down, but the eastern fringes will also start out cool as well. Central Canada will see periods of light rain, but the West will generally be drier than normal.

Climactic Data  
for Selected Cities

City	Normal		
	Precip mm	Max Temp °C	Min Temp °C
Vancouver	115	14°	6°
Victoria	74	14°	5°
